

Details of activities for under 5's and children in Bexley

This document outlines the activities taking place in Bexley for under-5's and children in Bexley through our libraries, community groups and Children's Centres (and/or Early Years teams).

Toddler Time

These relaxed sessions are a free a fun way for under 3s to develop a love of language from an early age.

Sessions last around 30 minutes and include nursery rhymes, songs, action rhymes, musical instruments and puppets.

Read with Me

Read with Me offers 10 minute one-to-one reading sessions for primary-age children with one of our reading buddies. It's a chance for your child to read out loud and improve their literacy skills.

You can bring along a school reading book or choose from the library.

After completing each reading session, your child will receive a sticker and a comment about their reading.

After 6 sessions they will be presented with a certificate of achievement.

Lego Club

Build big, bright and better with your buddies. Come along and create your own Lego model. For various ages (please see session and note that children under 8 years must be accompanied by an adult.)

Colouring Club

Stories and colouring fun. For ages 4 and over.

Baby Book Time

Spend a cosy hour reading with your little one. For ages 1 year and under.

Stay and Play

Playtime with toys for under 5's. Stay and chat for the grown-ups!

Storytime

Enjoy stories with your little ones. For pre-school ages.

All libraries in Bexley also participate in the Summer and Winter Reading Challenges, supported

by valued volunteers 

 <p>1. Sign up</p> <p>Visit <u>your local library</u> and ask to sign up – a librarian will give you a special collector folder when you start your Challenge.</p>	 <p>2. Read books</p> <p>Set a reading goal and read anything you like.</p>	 <p>3. Earn rewards</p> <p>Each time you finish a book, visit the library. You will collect special stickers and rewards for reading books!*</p>
<p><small>*Please check with your local library service which rewards they will be offering.</small></p>
