

Dear Parents, Carers & Families,
We have continued our focus on transition this week - the children have enjoyed their core text 'Whatever Next' - a story of a journey and adventure. We have been visiting the Year 1 classrooms so that the children can start to get used to their new classes and surroundings on the lower ground floor!

The PTFA have been busy preparing for the Summer Festival tomorrow - let's hope the weather stays dry! We truly hope to see you come and join in the fun!

Finally, after the semi-final win for England this week, enjoy the final on Sunday! #threelions 

Have a lovely weekend,

Miss Ingrams and the Lime Wood Primary team.

A message from Public Health -

Measles is circulating, it's very infectious and can make you very ill if you catch it. The MMR vaccine is safe and effective. Children who haven't had the vaccine before, or have only had one dose, can be vaccinated by your GP at any age.

Speak to your GP today to discuss vaccination, and let's make measles a disease of the past.
