Dear Parents, Carers & Families,

It is astonishing to think that we are now officially half way through the academic year! Hasn't it flown by....!

It has been a great week seeing the children finish their current topics and create their published writing pieces! We have lots of plans for next half term and look forward to celebrating these with you on our return!

I would like to thank Mr Cassell who has been working in Year 1 Baobab Class this term - we wish him well for the future as he now returns to Peareswood Primary.

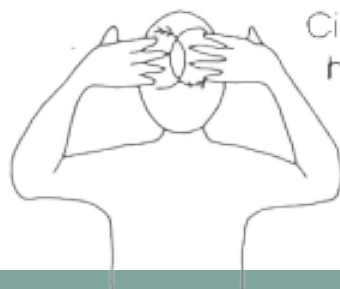

Thank you also to everyone that came along to our Family Learning Showcases - we trust you enjoyed the opportunity to spend time in your child/ren's classes!

Have a wonderful half term break.

Miss Ingrams and the Lime Wood Primary team.

SIGN OF THE WEEK Confused

Circling clawed hands overlap in alternating movement

Welcome

We are delighted to introduce two new Local Academy Committee Members!

Mrs Powell De Caires is our new Chair of LAC.

Mrs Grillo is our new Community Governor.

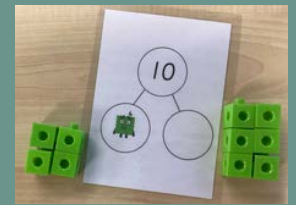

They were both delighted to attend their first LAC meeting this week!

WE LOVE LEARNING RECEPTION - MATHS

A wonderful week of Maths - Valentines Maths, Using Numicon and multi-link cubes to focus on Number bonds to 10 as well as finding one more or less and completing digital learning too!

CURIOSITY

WE LOVE LEARNING Y1 - CURIOSITY CHALLENGE

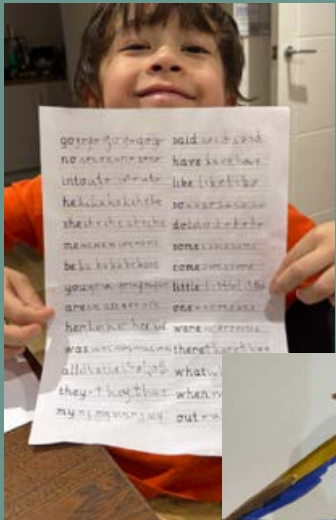

We have seen some fantastic home learning this term!

Making a model

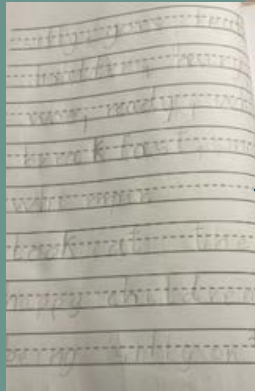

Video footage of a homemade "Naughty Bus"

Which Curiosity Challenge will you select next term?

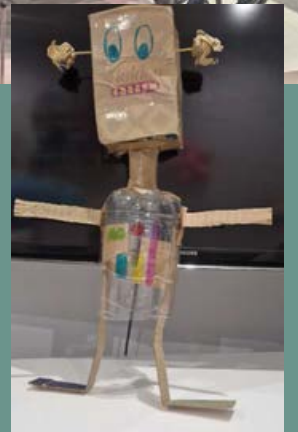

How will you represent your learning?

Writing & Drawing

Visiting a place of interest!

We look forward to seeing more home learning next term!

Well done to everyone who has participated!

More model building and making!

VALUES IN ACTION

Looking around at both of the Family Showcases this week gave us all a great sense of **PRIDE** in the children and their fantastic learning this term.
Well done Team LWP!

COMMUNITY FAMILY LEARNING SHOWCASE

Thank you to all the parents/carers that attended our Family Learning Showcase! It was wonderful to see Mums, Dads and Grandparents attending as well as children teaching parents and siblings and vice versa!

Thank you!

COMMUNITY

Apple Bluewater are running a range of child friendly workshops this half term!

What a fantastic opportunity!

Take a look and book a session. We would love to hear if anyone attends!

The opportunities include: make a theme song, make your own emoji, create an interactive story of kindness, create comics inspired by Planet Earth, learn to code with Swift Playground and code your first app!

Children can also earn a stamp for Children's University if they attend! The Children's University website also has lots of ideas and links to activities for children to take part in over the break!

REMINDER

This is a great opportunity for parents/carers to develop their own skills - this course is open for admission on a first come, first served basis. There are only 8 spaces available.

Book your place by calling LECB College 020 3045 5176 or come and collect a form from the office!

LECB have said they could run another course if we have more interest. Please note this course will not be able to go ahead if we do not have enough interest also.
