Our first full week as a school with two year groups! Year 1 were delighted to meet their new friends at lunchtime as they shared the hall space to eat lunch together. Reception were interested to meet some of their older peers too!

It has been a pleasure to meet our new Reception children - they have settled straight to learning and have been showing us how they write their name. We have also been impressed with the way they have been expressing themselves in their 'show and tell' sessions; telling us all about their families! What a busy week!

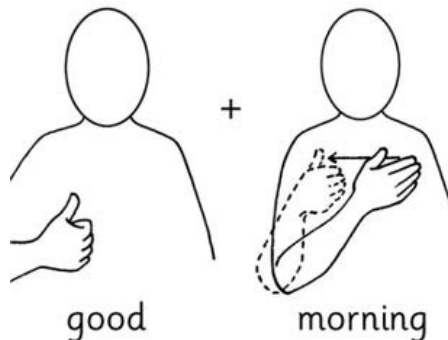

Year 1's Big Bang Day was a success with beans planted in their own mini greenhouses - we hope that the beans will grow as they explore the story of Jack and the Beanstalk and compare that to Jim and the Beanstalk pointing out the similarities and differences!

Thank you everybody for your support - we all wish you a wonderful weekend.

Miss Ingrams and the Lime Wood Primary team.

Sign of the Week

This week's sign is

Good Morning

Don't forget to give this a try at home.

WE LOVE LEARNING

Reception

What a fabulous first week - the children have been amazing and their descriptions of their families during Show & Tell has been fantastic. Thank you to everyone for sharing your family photos. This has really helped us to get to know the children well!

WE LOVE LEARNING

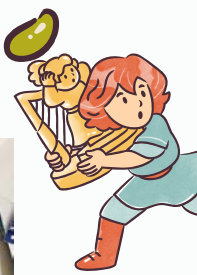

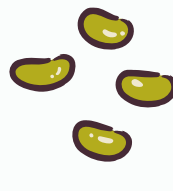

Year 1

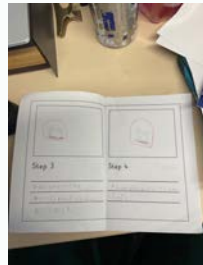

The children enjoyed planting their beans in their own mini greenhouses - they are looking forward to seeing them grow.

They also made recreated their own allotments as they explore and find out what they could grow.

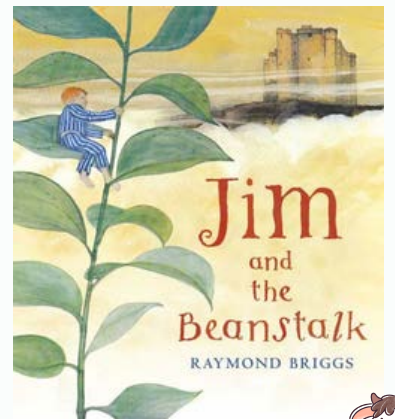

Golden Harp making!

They have also written their own bean diaries!

The children have been exploring their core texts and digging deeper into the characters.

ORACY

Last year our school was selected to take part in an Oracy Project. Over the course of the year we will share information about our strategies and teaching and learning linked to Oracy.

One strategy we are implementing this term is to ask children to put their thumbs to their chest instead of putting their hands up! Can you practice at home?

GOVERNOR SPOTLIGHT

We would like to introduce Daniel Davies as our Staff Governor for Limewood Primary School. Daniel has been a valued member of the Woodland Academy Trust for 13 years, bringing extensive experience and dedication to his work.

He began his career at Northumberland Heath Primary School, where he worked for 8 years, initially as a Reception teacher and EYFS Phase Leader, and later in Key Stage Two. He then became a Trust-wide Assistant Head Teacher for Pupil Entitlement, focusing on personal development, MFL, Art and DT, and Computing across all our schools.

Currently, Daniel serves as the Trust Digital Lead, promoting the use of technology in education and removing barriers to learning. He is passionate about creativity in education and is committed to helping every child develop new skills and discover their unique potential.
