As a school we have been thinking about our vision for Oracy and strategies that we will use and introduce across the school which has made us also think about all of the ways that we communicate together. Our Oracy vision is all about great communication, speaking and listening.

We have introduced class Talk Tips in Reception and Year 1 which will help remind the children of the expectations and school staff have been involved in some professional development to enhance our vision. Take a look!

We have also been thinking about our use of Makaton - last year we introduced Sign of the Week which parents/carers have reported back very favourably about. We will now start introducing our weekly signs in our assembly as well as key parts of the day such as when the register is taken. We encourage you to practice these at home each week and you can see a video of our signs each week on social media too!

Talk Tips

- I listen carefully

Clever Never Goes

PC Ryan from our local Safer Schools team came back to visit us. Y1 all commented on their memories of her visiting last year and Reception were excited to meet her.

It was lovely to see everyone. The children were very well behaved and participated greatly in the talks.
