

Dear Parents, Carers & Families,

I have said this before, but I truly cannot believe we are heading into the final term after this half term break - can you believe that the children's year in Reception will then be coming to an end? It has flown by...

This half term has seen such a lot of progress being made by the children - their attitude and enthusiasm for learning has been observed each day with their outcomes a great source of pride for us all.

Have a wonderful, safe and happy half term break.

Miss Ingrams and the Lime Wood Primary team.

SAFEGUARDING

PUNCTUALITY

Morning gate closes at 8.50am.

It is essential that your child attends school on time each day - this helps them with their transition into the classroom and into their learning.

Our early morning routine consists of self-registration and an opportunity to find out about the learning expectations for the day whilst enjoying being together as a class before they head off to learning activities. If your children arrives late they miss out on this set routine which helps them be ready.
