Dear Parents, Carers & Families,

It is unbelievable that we are already half way through this term with only three weeks left until the end of the term and half way through the academic year!

It has been wonderful to see some wonderful art pieces being created by Reception children inspired by Van Gogh's 'The Starry Night' as part of their 'Night & Day' topic of learning. How inspiring!

Year 1 have been thoroughly enjoying their core text; 'The Naughty Bus' and we have been delighted to see some of the children's home learning creations. Their next focus will be to explore writing a Newspaper Report which will form their published outcomes at the end of term!

Thank you to all of our Y1 parents/carers for your understanding following the decision taken to cancel this afternoon's trip to Christ Church. We are delighted that this has been rearranged to 3rd February, 2025.

Have a wonderful weekend.

Miss Ingrams and the Lime Wood Primary team.

Y1 Tricky Words

Phonics is a proven method for teaching reading. It helps children decode words by sounds, making it easier for them to read unfamiliar words independently. By using Little Wandle Letters and Sounds, we aim to ensure that every child receives high-quality phonics instruction tailored to their needs.

Thank you for your continued support in your child's learning journey.
Together, we can help every child develop a love for reading!

SAFEGUARDING

Packed Lunch

We are changing our system at lunch time for children who come to school with a packed lunch. Children will be asked to no longer throw their rubbish away but to place back inside their bag. This will further help parents/carers to see what children have eaten or not. Our staff monitor and support the children during their lunch break and we hope that this will further strengthen parents understanding of their child's food intake.

A reminder that we are a NUT FREE school so all foods in packed lunch should be checked for this by parents/carers also.

COMMUNITY

You got the power...

To help your child understand the power of communication!

We've recently set up a group for parents of children from schools that contract us - that's you!

Which means, you have a group of experienced SLTs at your fingertips - and FREE of cost.

Scan the QR code, join the Facebook group, share your questions and join the discussion.

Allen Speech & Language ASL

As a school, we contract an external company to deliver our **Speech and Language** provision. Ms Onwuka comes into school every Friday and has been supporting with screeners for children in Reception and Y1 as well as meeting parents/carers and liaising with the school team.

In our work with the external company - Allen Speech & Language Services - they have put together a fantastic offer for OUR PARENTS/CARERS only as we are a contracted school.

Take a look!

This group will allow parents/carers to post any questions that they may have and then receive direct responses from therapists, providing tips and strategies to help you support your child/ren.
