KINDNESS

As we entered October this week, we were excited to celebrate Black History Month. This year’s theme, “Reclaiming Narratives”, focuses on highlighting authentic stories and voices from Black History. Throughout the month, our curriculum in Reception and Year 1 will feature aspects of Black History - an example of this can be found in Year 1 exploring a teacher and artist; Alma Thomas and re-creating her unique artistic style. We believe that celebrating Black History Month is crucial in fostering an inclusive and respectful school environment whilst allowing the children to appreciate the diversity that enriches our school and local community and also understanding the importance of equality and justice.

Have a wonderful weekend,

Miss Ingrams and the Lime Wood Primary team.

Safer Parking

Please can parents/families consider where you are parking on Sandy Road and not park on double yellow lines. This is for the safety of all of our families and most importantly, our children. The car park is available for your use at morning and collection times.

Sign of the Week

Good listening

This week’s sign is

Good listening

Don’t forget to give this a try at home.

WE LOVE LEARNING

Black History Month

This week we launched into the beginning of **Black History Month**.

Reception's core text this week was 'The Colours of Us' which explores different skin colours and the children explored this further when they created their handprints.

Year 1 have been exploring the art of **Alma Thomas**. They explored her artwork which was created using watercolours.

- Interventions

10th October - World Mental Health Day
Children can support the day by wearing yellow with their uniform!

11th October - Little Recyclers Collection in the morning - bring in your donations!

SAFEGUARDING

In our technology-driven world, ensuring children's online safety is more crucial than ever. Although there's plenty of advice in the media about responsible internet use for kids, some of it can be misleading. The National College, a nationally accredited training and information provider, is currently offering courses for parents and carers. One of these courses is titled "Online Safety for Parents of Children." We highly recommend all parents take advantage of this free course. You can sign up using the link provided here:

<https://nationalcollege.com/courses/os-for-parents-carers-of-children-aged-3-7>

GOVERNOR SPOTLIGHT

We are pleased to introduce Edyta Sipta as a Parent Governor for Lime Wood Primary School. Edyta has been a committed member of the Governing Board for the past year, bringing her passion and expertise to her role in overseeing Universal Design for Learning (UDL) and EdTech, ensuring all students can fully engage with the curriculum.

Edyta's career as the Head of Graphics at a leading international architectural practice has provided her with extensive experience in leadership, creative direction, and project management. She applies her skills in driving innovation and collaboration to her work with the school.

Edyta's focus as Parent Governor is on making education accessible for every student, removing obstacles to learning through UDL and the use of technology. She is committed to helping the school provide a supportive space where all children can thrive and develop their individual strengths.

Don't miss out...Keep up to date with all our latest news!
