Dear Parents, Carers & Families,

We start with a thank you to Eleni from The Pantry who visited Reception to deliver a 'Knife & Fork' workshop - she was very impressed with everyone!

I also write to thank Rev Harris-Faulkner from Christ Church who welcomed Y1 this week on their school outing. The children were a credit to our school - well done! Thanks also go to all of the parent volunteers who came and supported.

Next week we are looking forward to recognising Safer Internet Day and we are already planning ahead to World Book Day after the half term break - take a look at the information!

Have a wonderful weekend.  
Miss Ingrams and the Lime Wood Primary team.

# Welcome

We are delighted to welcome and introduce Miss Crookes to our school community and team! Miss Crookes is based in the school office.

## SIGN OF THE WEEK

### Scared

# WE LOVE LEARNING UNIVERSAL DESIGN FOR LEARNING & DIGITAL TECHNOLOGY

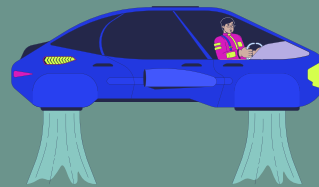

Reception have been using the drawing tools to complete their self-portraits. They also use the Magma Maths app - so great to see this independent learning!

They have been using the Coding Mouse to help them with instructional messages to find the number!

Y1 used EdTech to support English and History this week. In English they used voice notes and speech to text to help them plan their newspaper reports. In History they used the drawing tools to plan their futuristic mode of transport!
